Backyard Bottleshop & Taproom hires additional staff and extends hours of operation.

The Backyard Bottleshop & Taproom has recently extended its hours of operation to five days and hired additional staff due to increased business. The Bottleshop, located on Murrieta Hot Springs and Margarita Roads, opened in November 2014 offering guests a comfortable atmosphere where they can enjoy a wide selection of draft and bottled beers, wine, and small food plates.

New Hours are:
Wednesday – Thursday 12-8pm
Friday – Saturday 12-10pm
Sunday 12-8pm

The small business is owned and operated by two local couples. Featuring a rotating selection of draft beer and over 150 bottled varieties of craft beer, plus a selection of small-batch, high-quality wines from Temecula's Wine Country and surrounding regions, there is something for everyone. Guests can enjoy the wine and beer at the Bottleshop or take bottles to-go, offering a truly unique experience for the area.

The layout features a welcoming ambiance with warm lighting, hardwood floors, rustic furniture, light music, and a dog-friendly patio. A semi-private room is available for business meetings and private parties. Special events, such as food and beer/wine pairings, rare beer tastings, paint night, and meet the brewer or wine maker offer a number of activities for customers.

Additionally, they provide a fresh, seasonal menu of small bites and appetizers. Recognizing that they do not have a full kitchen, they promote surrounding restaurants and encourage guests to enjoy their meal with a beer at the Bottleshop.

The owners strive to maintain a local community focus through partnerships with food vendors, chefs, craft beer and wine providers, merchants, bicycle and charity groups, festivals, and public events.

"The Murrieta Chamber of Commerce is proud to have Backyard Bottleshop & Taproom as a member. They have a wonderful atmosphere, unique design, and an enormous selection. The staff is friendly and warm and represents the best of Murrieta in every way" Scott Agajanian, Chamber Membership & Business Development.

Additional information is found on their website <http://backyardbottleshop.com/> and social media platforms.

Cheers!
